

# Behaviour Change Hackathon

Attract stakeholders to organise a hackathon.

|           |                                        |                       |
|-----------|----------------------------------------|-----------------------|
| Team      | Afifah Hanim Muhammad Hisham<br>ACTIVE |                       |
| Status    | CONTENT BEING DRAFTED                  |                       |
| Website   | Webpage being revamped                 | CONTENT BEING DRAFTED |
| Facebook  | Photo album to be revamped             |                       |
| Instagram | Post carousel                          | CONTENT REQUIRED      |
| LinkedIn  | News feed post                         | CONTENT REQUIRED      |

## Tasks

INCOMPLETE

## Documents

### Updates required

- ☐ Replace link to project page once it has been transferred to the new Confluence workspace
- ☐ Embed Jira issue filter after it has been migrated to Data Center
- ☐ Link to content guidelines when migrated/updated

### Apps

-  Content folder
-  Project page (Confluence v1)
-  Google Photo album

### Previous team members

- Celeste (Do you want to hack behaviour change?)
- Enver (Project LinkAges)
- Grace (Interactive learning)
- Julia (MaidforMore)
