Organisation structure

ActSEA comprises teams organised around its functions: Management, Programs, Fundraising, Communications, and Learning. In addition, the governing boards in Indonesia, Cambodia, and Singapore work to ensure governance and accountability, while the Core Team shapes ActSEA's strategy.

Gove rning bodie s

Ensures governance and accountability, particularly in relation to legal and fiscal oversight. This recognises that governing bodies, who by law typically comprise volunteers, are best placed to provide checks and balances, because their position is not tied to expectations of remuneration.
